PRODUCT DESCRIPTION

This reading light comes with knurled metal detailing for some added texture and interest. With a fully adjustable head and on/off body switch, this reading light is perfect for bedsides.

As part of our Hotel range, this contract-level reading light is available in large quantities on shorter lead times. This light is also available in different colours and finishes, so please contact us to discuss what your project needs.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our clients. If you can't find what you need on our website, contact our <u>Sales Team</u> who will work with you to create your ideal contract lighting solution.
